

Ace Synergy International Pte Ltd

About Us

Since 2006, Corniche (pronounced as Corn-nish) has been exporting snacks and confectioneries to countries worldwide. We aim to deliver the joy of good quality and safe products that meets the quality assurances of countries like Japan, Singapore, Malaysia, China, the United States, Canada, Europe, Africa and Middle East and more. We constantly innovate and develop our product range to provide our consumers the complete satisfaction.

Vision

We aim to bring safe and quality products to every corner of the world. We strive to be the global leading snacks and confectionary brand; always putting our customer in first place and assuring that our products can be accessed worldwide.

Mission

To embrace innovation and set stringent standards to bring high-quality and customised products to the diverse international market.

We focus greatly on research and product development, set a strong emphasis on quality control to provide consumers with the best quality of food product.

FLUFFMALLOW

FunBites Fluffmallow are adorable fat free marshmallows which comes in various shapes and sizes.

The cornerstone of this product is its fluffiness and its soft and smooth texture. The mallows just melt in your mouth, a moment that one shall never want it to end.

Packed in attractive packaging designs, these marshmallows are a perfect match for baking, topping desserts and hot drinks. For sweet tooth like you and me, it can definitely satisfy our cravings.

GINGER CHEWY CANDY

FunBites Chewy Ginger Candy is a delightful balance of sweet and spicy ginger taste with a pleasant chewy texture. Refreshing and delicious, each Ginger Chew is individually wrapped for your convenience. Unwrap, chew and enjoy! Our products are consciously crafted with real ginger, using Non-GMO ingredients, and are vegan by nature. Given ginger's queasy-quelling properties, it helps to overcome nausea during any kind of travel, be it flying, sailing or travelling on bumpy road trips.

Two of the SKUs have added fresh turmeric to enhance the health benefits. Turmeric is well known ingredient in the South East Asia, helps to reduce inflammation, improves liver function, boost metabolism & has powerful antioxidant effects.
